UPDATE to the Agenda for Callers

13:00 – 13:30 **Arrival and settling in.**

13:30 – 14:15 **'Tag – you're it!'** Trevor Day has stepped forward and offered lead a session on setting up specific FASR's and then using the calls from the tag family to get-out to a known formation/resolve. Thank you Trevor!

14:15 – 14:20 **Comfort Break**

14:20 – 15:50 **Mike time** (For those who wish to take advantage of it). We can help you work on just MOVING Dancers, Resolution, You name it... If we have enough to have a square and a caller we can do this! Sight Calling, Module calling, you name it, you can try it. Ideally, you might challenge yourself to use some of the information covered during Trevor's Presentation on **using Tags (1/4 TAG & 3/4 TAG calls)** to get to a resolve from specific formations. Please keep your choreo for this session at the **Mainstream** program level.

(Dancers would be very useful for this portion of the meeting)

15:50 – 16:00 **Comfort Break**

16:00 – 16:20 **Discussion...** Future meeting dates? Bring your personal calendars so that we can set the remaining meeting for this year and verify the date of the AGM and meeting. Please help me to be aware of any known conflicts with other Square Dance activities (dances, weekends, club events). Some callers were not able to be at this meeting due to calling commitments (that's a good thing, except for not being able to attend the meeting).

NOTE: All Callers and Dancers are welcome and encouraged to come along to support our meeting (Flyer is attached to this Email for the Yorkshire Day Dance). Callers please encourage some of your dancers to come along to our meeting to act as 'Callers Angels' prior to going on to the Yorkshire Day Dance at Pocklington.
